Welcome to MPB School,

Most Precious Blood Parish is blessed to have a Catholic School on its Campus. MPB School has a long history of providing high quality education with a firm foundation of Catholic faith to students. We are an accredited school with state certified / licensed teachers. Classes are offered from 3 year old preschool to 6th grade, along with options for extended day care. Our programs emphasize faith, academics, and service. All students have the advantage of participating in an engaging and enriching classroom experience due to our commitment to classroom sizes that promote low student to teacher ratio. This guarantees that your child will receive the individualized attention required to promote individual growth.

Students from MPB School have been recognized for exceptional academic performance in middle and high school which is demonstrated in their standardized test scores. They are often recognized as leaders in their classes.

Testimonials from parents and students include:

- "My children were well prepared for the academic challenges of middle school and high school. I was often complimented on the exemplary behaviors of our MPB students by bus drivers and public school teachers." -former MPB parent
- "My children developed exceptional public speaking skills due to opportunities provided at MPB to sing and read at mass. Their active participation in leadership roles at MPB school, specifically during mass, allowed to overcome some shyness and become the leaders they are today." -former MPB parent
- "Love it, it's the best school ever and I go to school here." - current MPB student
- "I love the close knit family feeling. The staff is compassionate and there's small class size so there's more one on one attention." - current MPB parent

We are so excited to welcome you to our school family and understand that it is commitment to the value of Catholic education that you are joining us. We also offer many opportunities for financial assistance so that finances are not a deterrent in this important decision.

Blessings to you and your family,
Mrs. Gorman
Principal
